Extract from Memo No 12 Dtd 1955-56 dtd

The following subjects relating to Bangalore Corporation was discussed by the Worshipful Mayor and the Municipal Commissioner, with the Chief Minister on 24-5-1955. The discussions took place informally before the council.

Subject	Remarks
Granting monopoly of Bangalore Transport Company to the Bangalore City Corporation	The Chief Minister impressed upon the worshipful Mayor that it is not desirable from the administrative point of view that the Corporation should take up the question of City Transport on monopoly basis But the Mayor raised the question of revising the compensation which the Corporation is now receiving in lieu of Tolls which were taken over from them some years ago by the Government and compensation fixed for the financial loss sustained I explained that no revision is possible unless legislative action is taken to amend the Mysore Tolls and Motor Tax Act Chief Minister, however, desired that the question may be reviewed on the proposals to be received from the Corporation The Commissioner, Municipal Corporation, may if he thinks necessary, send proposals for consideration of Government
